

# 2012 NSF Workshop on Simulation Methodology

Computer Simulation –  
Opportunities and Challenges

# Assignment Result

- Totally 34 attendees submitted their choices
- 27 attendees were assigned to their 1<sup>st</sup> choice
- 7 were assigned to their 2<sup>nd</sup> choice
- Four groups
  - Simulation optimization: 9
  - Modeling error: 9
  - Applications: 8
  - New technology: 8

# Simulation Optimization
