**Total Hours**

FEES NOTE: BURSAR’S WEBSITE: $X for 6 or fewer hours, $XX for more than 6 hours. You may consider this when planning your schedule. Keep in mind that Senior Design is a 4 hour course and that taken with a 3 hour course will cause your fees to fall into the higher category.

**In what semester do you plan to graduate?** ____________________

**Important Requirements**

Please initial next to each requirement indicating your understanding:

- **All core ISyE courses (ISYE 2027, 2028, 3025, 3232, 3133/3833, 3044) must be completed BEFORE taking Senior Design.**
- **ISyE 4800, the 0-credit Senior Design prep course, must be completed the semester immediately BEFORE Senior Design.**
- **At least 4 of 6 ISyE concentration courses must be completed and passed BEFORE taking Senior Design.**
- **At least 5 of the 6 ISyE concentration courses must be ISyE courses. Only one non-ISyE course is allowed (example: MGT 3078).**
- **9 hours of engineering electives are required. At least 5 credits must be from Group One. [Note: Beginning Spring 2015, only one CX course can be used toward engineering electives. Due to high demand for certain courses, saving engineering electives and concentration courses until the last semester could potentially result in a delay in graduation.]**
- **There are certain pairs of courses with significant overlap in content. These courses cannot both be taken for credit. Examples include (but are not limited to): ECON 2100 and ECON 2101 and (ECON 2105 and ECON 2106), MGT 3078 and MGT 3076, POL 1101 and INTA 1200. Information about all courses can be found at oscar.gatech.edu.**
- **Your final 36 credits must be taken in residence (non-transfer) at GT: [http://www.registrar.gatech.edu/students/formlanding/transspec/transientletters.php](http://www.registrar.gatech.edu/students/formlanding/transspec/transientletters.php)**
- **International students must be full time (at least 12 hours). If fewer than 12 credits are needed in the final semester to complete the degree, a reduced course load must be requested through iStart/OIE.**
Mark the course you have taken (or plan to take) to fulfill:
Environmental Requirement: __________
Global Perspective Requirement (if 2012-2013 catalog year or later): __________

Have you met with your ISyE Career Advisor? __________
A-L: Ms. Laliberte  M-Z: General Johnson  To schedule an appointment with your career advisor, please visit:
http://www.advising.gatech.edu/appointments/students/index.html?section=3&advisor=alaliberte6 for Ms. Laliberte
http://www.advising.gatech.edu/appointments/students/index.html?section=3&advisor=rjohnson92 for General Johnson

Current Resume in your file?  Yes   No

What are your top goals for the next academic year and how do you plan on achieving them? (i.e. better study habits, find an internship, apply for professional/graduate programs, create a career plan, etc.)
